DR. DEBORAH Z. ALLEN
 YEARS IN PRACTICE: 18
 YEARS IN ABQ: NATIVE OF ABQ

PRESBYTERIAN PEDIATRIC ENDOCRINOLOGY
 201 Cedar SE, Suite 5640
 563-6530 | phs.org

HOMETOWN: Thoreau, New Mexico **DREAM JOB AS A KID:**

Any job that would allow me to afford a nifty sports car someday **AGE**

WHEN I DECIDED TO BECOME A PHYSICIAN: A doctor

in ABQ named Alan Altman did surgery to restore the function on my knees when I was in 10th grade—I realized that nothing would make me happier than to also help others with medical problems

GUILTY PLEASURE: Netflix (thanks to the pandemic, I finally understand "binge-watching") **CE-**

LEB STORY: I once mathematically explained to Gene Hackman at a weight-lifting competition how athletes in different weight classes could still compete against each other (he was really nice)

OUTDOOR ACTIVITY: Paddle-boarding, boating and weed management (I recently bought a

fixer-upper at Conchas Lake) **COFFEE PREFERENCE:** To drink it copiously and swiftly **TV FAVORITE AS A KID:** Knight

Rider **HIDDEN TALENT:** Pushing my belly out (for a relatively thin guy, I can push it out shockingly far) **KARAOKE SONG I**

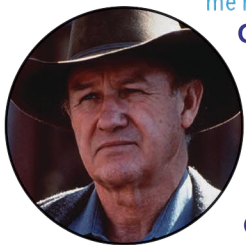

WOULD SING TO SAVE MY LIFE: "Ice Ice Baby," by Vanilla Ice **FIRST CAR:** Oldsmobile Omega **FIRST CONCERT:** Willie

Nelson at Tingley Coliseum **STAFF SAYS MY MOST ANNOYING HABIT IS:** I spend way too much time chit-chatting with my

patients **A DOCTOR'S MOST IMPORTANT BEDSIDE MANNER IS:** The ability to shut up and listen **THE PIC ON MY CELL PHONE**

HOME SCREEN: My 15-year-old son, who has the most unbelievably curly, fluffy head of hair **MY MOST UNUSUAL JOB WAS:** RV wind-

shield washer **SPECIALTY DISH TO COOK:** UberEats **FAVE FAMILY TRADITIONS:** Getting a Christmas tree that's just a few millimeters shy of hitting our ceiling

HOMETOWN: Albuquerque born and raised **DREAM JOB**

AS A KID: Doctor, for as long as I can remember **AGE WHEN**

I DECIDED TO BECOME A DOCTOR: In Miss Lujan's 4th

grade class, I was always fascinated by our Life Sciences Book and knew then that I wanted to study medicine **GUILTY PLEA-**

SURE: Reality TV **CELEB STORY:** While staring at a Salvador

Dali painting in Venice, Italy, I overheard the person next to me say "Dude, that is so cool," so I turned around and saw

Tommy Lee saying those words to Pamela Anderson **OUTDOOR ACTIVITY:** Hiking or

running **COFFEE PREFERENCE:** Hot Americano **TV FAVORITE AS A KID:**

"Land of the Lost" **HIDDEN TALENT:** Annoying my family with my constant singing

KARAOKE SONG I WOULD SING TO SAVE MY LIFE: "Viva La Vida" by Coldplay

FAVORITE PRO TEAM: Cleveland Indians

FIRST CAR: A blue, spray-painted Ford Escort which I bought myself for \$500 **FIRST CONCERT:** Jon Bon Jovi **STAFF**

SAYS MY MOST ANNOYING HABIT IS: I re-measure every patient's height and weight after they have already been taken

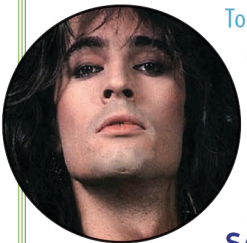

A DOCTOR'S MOST IMPORTANT BEDSIDE MANNER IS: Compassion **THE PIC ON MY**

CELL PHONE HOME SCREEN: My kids 10 years ago when we were in New York **MY**

MOST UNUSUAL JOB WAS: I worked in advertising for a local real estate agency and designed the company's for sale sign **SPECIAL-**

TY DISH THAT I COOK: Salad of all kinds, with my "secret" salad dressings **FAVE FAMILY TRADITIONS:**

Celebrating Hanumas - a combination of Hanukkah and Christmas
